SHERIDAN'S OWN TURDUCKEN

Made famous by John Madden, made fresh by our meat cutters here at Sheridan Fruit...the only place in town to buy your fresh Turducken! We start with a chorizo corn-bread stuffed inside a chicken, which is inside of a layer of apple cranberry walnut stuffing, inside of a duck, that was wrapped with our sage and sausage stuffing and placed inside a whole turkey. A boneless feast to enjoy at your holiday table!

Let us prepare one for you today!
